RE: Application Fee for Misdemeanor Interstate Compact Transfer

---

2002 Public Act 40 created the Michigan State Council within the Michigan Department of Corrections (MDOC) as an advisory body to exercise oversight and advocacy concerning Michigan's participation in the Interstate Compact for Adult Offender Supervision (ICAOS). The council developed policies concerning operations and procedures of the compact within Michigan and established an application fee for transfers out-of-state.

Michigan ICAOS signed Resolution No. 2012-1, which adopted an increased fee of \$200. Please be aware that in order to transfer supervision out-of-state the defendant must pay a \$200 application fee using a money order or cashier's check made payable to the Michigan Department of Corrections. Additionally, MDOC is fiscally responsible for the mandatory probation retaking of an offender in accordance with Rule 5.104. If a transferred probationer absconds and is taken into custody, MDOC will extradite the defendant to Michigan.

Information about the compact is available at [Interstate Commission for Adult Offender Supervision](#) or you may contact the Interstate Compact Unit at [Michigan-Interstate@mi.gov](mailto:Michigan-Interstate@mi.gov) or 517-335-1370.
